dedicated to

Eugene B. Elliott

The AURORA takes its first "Look to the Future" in the progressive aims of Michigan State Normal's President, Dr. Eugene B. Elliott.

Although he has been here for the short period of only two years, Dr. Elliott has given us a new hope for a successful future. Under his administration, the campus has acquired a new beauty, long dreamed of, but never realized. Present plans indicate even greater expansion into modern buildings and equipment.

Even greater than this superficial beauty are his other additions to our campus life. With his aid we have witnessed the realization of an active student government, a great expansion in counseling services, additional courses of study in the curriculum, and a friendly cooperative administration.

In appreciation of these and many other efforts to improve our college, we dedicate this volume to Dr. Eugene B. Elliott.

foreword . . .

In May of 1949 Michigan State Normal College celebrated its Centennial. It has long been a college of traditions and memories. Now at this mid-century date it is embarking upon its second hundred years of teacher training. Already little is left behind to remind us of these established glories, and we are busy building a new set of traditions and memories, founding new precedents for future generations to uphold.

But there is one aim of our college which will always be present. We are training the students for their personal futures of living as intelligent citizens in a growing world. It is this view of education which the 1950 AURORA has chosen to present to you its readers.

1950—We Look to the Future

Charles McKenny Hall

Michigan Normal can be proud of its student center, Charles McKenny Hall. Built by the alumni and townspeople, McKenny Hall has been the scene of several student activities and an integral part of the community for over two decades.

The stately building buzzes with activity almost constantly with fraternity and sorority meetings, class meetings, special council meetings, dances, parties, and special dinners. The cafeteria and snack bar and the cigarette counter in the lobby contribute to the general atmosphere.

Now that there are only a few men permanently living at the Union, future plans for the building are being studied. It is hoped that by next fall the basement will be reopened to contain bowling alleys, a lunch counter, card room, billiard room, and the long desired student bookstore.

The building is capably directed by Mr. Robert Chapman who is assisted by Ray Daniels and Mr. Norwood Eastman, men's proctor.

Dormitories

Beginning with the building of Julia Ann King and Bertha Goodison Halls in 1939, the number of college residence halls has been swelled to a total of five with the completion of James M. Brown Hall last fall. The first of the men's dormitories, John M. Munson Hall, was completed shortly before the war, while Lydia Jones Hall still shows evidence of its recent construction. All told, the five residence halls are designed to accommodate between 1500 and 2000 men and women.

The addition of dormitories to the campus paved the way for growth in student enrollment. These residence halls also tend to insure a closer relationship among students.

The residence halls have comfortable lounges and good recreational facilities. Each of the two men's dormitories, Brown and Munson, are the proud possessors of a television set, and each of the women's halls have combination radio-phonograph consoles.

Library

The Michigan State Normal College library is one of the largest and oldest libraries to be found on campuses similar in size. The library houses 130,000 volumes which include a unique collection of old books as well as books from the personal library of John D. Pierce. Much of Normal's early history might be revealed by these old books.

The library claims several education books which no other library in the vicinity possess.

In addition to the circulation service available to the students, the library provides good study facilities in its three recently remodeled reading rooms. The Modern Language Department is also located in this building.

Future plans call for new stacks for books and improved lighting.

administration

The fathers of our community

TOP: James M. Brown, Dean of Men; Egbert R. Isbell, Dean of Administration; Leslie A. Butler, Director Laboratory Schools.

MIDDLE: Everett L. Marshall, Registrar; Bessie Wright, Assistant Registrar; William J. Brownrigg, Chairman, Committee on Irregular Program; Benjamin Klager, General Controller.

BOTTOM: Susan B. Hill, Dean of Women; Helen B. Rudin, Assistant Dean of Women; Adelyn Hallis, Assistant Dean of Women.

Administrators of M. S. N. C.

A century of growth in Michigan State Normal has also seen a change in the administrating staff of the college. New positions have been continually added to help direct the many increasing activities of an expanding institution.

The director of M.S.N.C. is now entitled President. This position is very capably filled by our new President, Eugene B. Elliott. President Elliott began his term in 1948 upon the retirement of John M. Munson. Since his assumption of office, the campus has witnessed many changes—in curriculum, administration, and appearance —to keep pace with its growth.

Assisting President Elliott are the Dean of Administration, Dean of Men, Deans of Women, Registrar, and Controller. These friendly and helpful persons will never be forgotten by their students.

The Dean of Administration is E. R. Isbell. He too is very capably suited to the position. His friendly advice and aid in adjusting and selecting a curriculum is greatly appreciated by all who come in contact with his office.

Favorite of all the men on campus is James "Bing" Brown, Dean of Men. Those who know "Bing" will long remember his wise counseling and great interest in the welfare of his "Boys." The devotion he has shown to his work will always be an inspiration to his associates.

The women too have a great friend in their Dean, Susan B. Hill. Genuinely concerned in the women on campus, Dean Hill is ever ready to help solve their problems and conducts a counseling staff in the dormitories. She is ably assisted by Dean Rudin, who seems to pull jobs out of nowhere to help the girls finance their careers, and Dean Hollis, director of the student social affairs.

Other officials are also needed to supervise a college of our size. Leslie A. Butler, Director of our Training Schools is one of these. Many teachers received their first assignments through the efforts of Dr. Butler's placement office. This spring's graduates will be the last to receive his aid, for Dr. Butler has announced his retirement effective this June.

New in his position of Registrar is Everett L. Marshall who assumed his duties after the retirement of C. P. Steimle in 1949. Dr. Marshall enters this new office with a great deal of experience in the field of education and is capably assisted by Miss Bessie Wright, a familiar face in the Registrar's office.

One of the newer positions on the administrative staff is that held by Benjamin Klager, General Controller. He came to M.S.N.C. in 1948 to supervise the funds spent in our program of expansion. The most recent appointment went to William J. Brownrigg who assumed the title and new office of Chairman of the Committee on Irregular Programs. Mr. Brownrigg has done a splendid job of handling the problems of these programs which formerly were sent to Dean Isbell.

Men's Union

With Paul Wilder, a Monroe senior as president, the Men's Union began another year of service to M.S.N.C. The men elected to assist him were Fred Hendrick, vice-president; Angelo Angelocci, secretary; and Don Duff, treasurer. The Social Committee consisted of the following men: James Wichterman, Jerry Raymond, Larry Dolot, and Duane Bondy. The class representatives on the Executive Board were: seniors, Mike Scherer and James Tascoff; juniors, Ted Briggs and Dean Cook; sophomores, Dom Mauti and Glenn Goerke; and freshman, Jack Stephan.

Last fall the Men's Union awarded athletic blankets to nine men who had graduated from M.S.N.C. and had since shown fine service in the educational field. The men to receive these awards were: George Meade of Detroit, Charles Forsythe of Lansing, Frank Weber of River Rouge, Roy McMurray of Saginaw, Ben Hellenberg of Monroe, Frank Manley of Flint, Louis Hollway of Ann Arbor, Edward Shadford of Ypsilanti and M.S.N.C.'s own C. P. Steimle.

On December 2, 1949, the annual Yule Log Drag was held in the Fred Green Ballroom where the couples glided across the floor to the strains of Paul LaVoie's orchestra. Chairman Jim Wichterman and his committee did a fine job, providing beautiful favors and delicious refreshments.

As this book goes to press, the men are working on a project whereby signs will be posted at the east and west ends of town announcing that Ypsilanti is the Home of Michigan State Normal College.

Women's League

The Women's League is the student governmental organization representing all of the women students of M.S.N.C. The League is a member of the national organization of Associated Women Students.

Women's League has established as its purpose the development of a feeling of responsibility, leadership, cooperation, and democracy among the women of our campus. Activities are planned in response to the needs of women students. Accordingly, Women's League has long been an outstanding campus organization.

The League is composed of the executive and advisory boards. The executive board is the governing and policy making branch of the League. This board is composed of the chairmen of the various standing committees, dormitory representatives, elected members at large, members of the college social committee, Student Council representatives, W.R.A. representatives, and the League officers. This year's officers were: Gloria Walton, president; Barbara Hughes, vice-president; Marion Runkle, secretary; and Ruth Oakes, treasurer.

Activities sponsored by Women's League are well known to the students on our campus. Two standard favorites are the girl-bid dances—this year entitled "Autumn Serenade" and "Heavenly Daze." The traditional green ribbons are a "must" for all the freshman girls in the fall. The Homecoming float, dessert for February grads, Christmas decorations at McKenny Hall, forums, plays and concerts attended on League purchased tickets, Station Wagon Crew, Campus Sisters, election campaigns — plus many other League activities have added color to the campus life.

Through Women's League, numerous women students receive the opportunity of planning and organizing programs of good fun, good learning, and good training. With so many girls actively supporting the League, it has been possible to improve and enlarge the program.

Women's League has been most fortunate in having as its advisors Dean Hill and Assistant Dean Rudin. Miss Hollis, assistant dean of women, has also devoted much time to advising the League in regard to its social activities. The League is deeply indebted to these three fine advisors.

Student Council

The Student Council of Michigan State Normal College is still young, having just celebrated its first anniversary as a working organization. We of the Council feel that this first year of operation has been a successful one. We feel that we have established a firm foundation toward our final goal of being a constructive legislative organization.

The students and faculty of our campus can point to us and say, "What have they accomplished?" or "Of what good have they been to us?" and in answer we can point to our accomplishments of this past year. Some of them are hard to express in concrete terms, but it is often these intangible steps that contribute most genuinely to the growth and success of an organization.

Our basic program for the year was to correct and strengthen our constitution. This we have accomplished. We concentrated on gaining the co-operation of the students on campus, and on organizing the joint student-faculty committees which our constitution calls for. Already operating are two joint committees—the Aurora Committee, and the Normal College News Committee. Organized but not yet in operation are two others—a committee to supervise athletics and associated areas, and a co-ordinating committee to work with the Faculty Council.

Another activity of the Council was its participation in, and planning of the past year's homecoming celebration. The World Student Service Fund drive was sponsored by the Council. Assembly programs are now under the direction of the Student Council, and along with this function we have sponsored a number of radio programs.

To insure that all future college elections will be uniform and carried on in a democratic manner, we have organized a permanent Elections Committee that has drawn up a set of rules governing the procedure and time of the elections of such campus organizations as the Men's Union, Women's League, Student Council, and all classes. In addition, we have organized a Finance Committee which enables students, for the first time to participate actively in the distribution of funds to student organizations.

Finally, there are three other projects which are well on their way to being realized. The first and most nearly complete of these projects is a vocational information file to be set up in the College Library. Secondly, we are trying to obtain a series of American and foreign film classics to be shown here on campus. Lastly, after a complete investigation, we are on the doorstep of joining the National Student Association.

In conclusion, we should like to express our sincere appreciation to Dean Isbell for having served as our sponsor, and to the students, faculty, and administration for their acceptance of, and co-operation with the Student Council.

Respectfully yours,
Richard W. Mendenhall,
President, Student Council

Health Service

The Health Service is under the direction of the Head of the Health Education Department, Dr. V. L. Van Duzen, and his assistants, Miss Bowen and Miss Fry.

Provisions are made each year for giving new students physical examinations. Dr. Van Duzen then has a conference with those found to have handicaps and advises them as to treatment.

During the year the health center is open for treatment and consultation and provides two weeks of hospitalization free of charge. Emergencies are also handled by Dr. Van Duzen at any time, day or night.

Men's Residence Halls

With the completion of the James M. Brown Residence Hall this year, adequate facilities are now available for housing all the men students on campus. Under the directorship of Mr. L. M. Wade, who is assisted by Mrs. Karen Lurting, dietitian, the men are now enjoying their life in modern dormitories complete with dining halls, lounges, snack bars, and television. Munson Hall is managed by Mr. and Mrs. Merrill Hershey, while McKenny is supervised by Mr. Robert Chapman and men's proctor, Mr. Norwood Eastman.

Women's Residence Halls

M.S.N.C. has three fine dormitories for women students. A warm friendly atmosphere is maintained throughout by the election of house officers and council. New students are also greeted by counselors working with the House Mothers and Dean of Women. The residence halls are directed by Lucy A. Elliott and the Head Residents, Marguerite Whitney and Elizabeth Trumbull of King, Verna Carson and Vera Nobles of Goodison, and Mary Moore and Dulcie Smith of Jones.

SENIOR CLASS OFFICERS

After graduation, February.

Senior Class

The Class of 1950 is proud of the fact that it is by far, the largest Senior Class that has ever graduated from Michigan State Normal College. Then, too, we are proud of the fact that our average age is far in excess of that of a normal graduating class. This is so, because in 1946, our freshman year, the major influx of discharged war veterans began to move into our colleges.

Ours is a very special class, we think, for we leave behind us a string of broken precedents. The realization that our February graduating class was large enough to warrant a special convocation of its own resulted in our first break with tradition. Then, too, the June graduating class was the first to venture into an outdoor graduation ceremony which will be held on the W. O. Briggs baseball field. With the plans made for an outdoor ceremony, we anticipate a record attendance. Last, but certainly not least, is our Senior Ball. This event will always remain with us as an unforgettable occasion, for with the top name orchestra of Elliott Lawrence it will certainly be the biggest social event to take place on this campus. Yes, we are proud of these broken precedents, for it means the end of conforming and the beginning of new expansions in social and scholastic activities; it means independence, accepted responsibilities, and leadership that should be the primary goal of the educated young American.

It is with the active support of a very liberal, responsive administration that our achievements were made possible. It is their foresight, combined with our initiative that brought forth this realization that we are capable of responsibilities, determination, and self-government.

In conclusion, I should like to express my appreciation to Co-chairmen Marion Runkle and Jim Tascoff, and to each and every senior who helped to make the Senior Ball such a huge success. Thanks are also due to those who worked so hard to make such events as the Christmas Sing, Flag Walk, and Class Day so enjoyable and memorable.

In closing, the Senior Class, as a whole, extends its heartiest and warmest "thank you" to our most helpful and stimulating Senior Class advisor, Carl Anderson.

Junior Class

The school year 1949-1950 proved to be one of the biggest years for a Junior class.

Under the leadership of Jim Wichterman as president; Don Duff, vice-president; Kay Shannon, secretary; and Bob Dean, treasurer, the junior class came forth with several outstanding performances.

At Homecoming the juniors led all other classes in the annual float contest. The theme used in winning the contest was that of several Indians cooking the Hope Dutchmen in a huge cauldron.

On February 17th, the juniors went all out in bringing the school the first big-time J-Hop in more than two decades. Dancing to the music of Blue Barron proved to be a delightful evening for all those who attended. Other entertainment during the intermission was provided by the ever popular campus quartet, the Four Hoarsemen. The two people most responsible for such an entertaining evening were the co-chairmen, Bernie Miller and Doug Kuechle. Laurels should be awarded too, to the many others who worked so industriously in completing their committee work.

As a sophomore class last year the tradition was started by having a joint spring picnic with the juniors. This year the second annual sophomore-junior class picnic was held in the Hollow on May 18th. On this day, one of the most perfect picnic days this spring, a record number of students enjoyed the hot-dogs, cokes, and especially the interclass baseball game.

It has been the expressed desire of the junior class officers and many class members that these traditions of a most successful name band J-Hop and the interclass picnic and ball game be continued.

And now we are about to become seniors. The short space of only a year is between us and our varied futures.

Sophomore Class

Soon after classes resumed last fall, the entire college realized that the Class of '52 wasn't just another undergrad class, but something special. Under the sponsorship of Dr. Simon Faegerstrom, the Sophs began a promising career.

Extremely critical of the manner in which elections formerly had been held, a gathering of Sophomores at their first class meeting decided to change things. A carefully organized election procedure was established which, above all else, attempted to provide ample time between nominations and final ballotting for active political campaigns by the candidates. The result was a slam-bang, typically American election race which had the campus in an uproar for days. Signs sprung up on the trees, photographs appeared in the Union, and party slates were organized. The victors were Joe Gornall, president, Betty Keller, vice-president, and Betty Jo Robinson, secretary. A tie for class treasurer was finally decided in favor of Glen Goerke by a special election. Later in the year when Betty Jo Robinson left politics for marriage, Doris Eakle was selected to succeed her.

Winning all but one event from their Freshmen foes, the Sophs proved their calibre in the traditional Homecoming games. They took the tug-of-war, the obstacle race, the horse-and-rider fight, and, in the biggest test of all, fought off any attempt by the "pots" to bring down a Soph Class representative sitting atop a greased pole.

The two biggest class events of the year were the annual Soph Swirl and an all-campus Variety Show. March 25 was the date for the Swirl, titled "Some Enchanted Evening," and for weeks before the campus was informed of the fact. Through original eye and ear catching publicity directed by Liz Holloway, program chairman, the tickets were all sold ten days before the dance. Bill Stegmeyer's wonderful orchestra helped make the Swirl one to remember.

"Fifty Years of Song and Dance," the Soph's free Variety Show April 28, was a rousing success. Over twenty student acts competed for the thirty dollars in prizes awarded by a distinguished group of judges headed by President Elliott. The two hour revue was dedicated to the Freshmen Class in the hopes that it would become an annual affair.

The class sponsored many other events such as toboggan parties, a highly successful skating party, and splash parties at Ypsi Central's swimming pool. With the advent of spring, plans were made for the Junior-Sophomore picnic, which was May 18. An inter-class baseball game, free hot dogs and pop, and group singing around a blazing bonfire made the affair a great success. The Hollow party acted as a spirited finale to the Sophomore Class activities for 1950.

At press time next semester's Juniors were in the midst of another fiery election campaign for class officers. With such a great beginning, the Class of '52 gives promise of two more years of spirited activity.

Freshman Class

On September 21 the Freshman Class began a hectic week of tests, teas, tours, talks, and classification. This heterogenous group of activities was called Freshman Days. This week of orientation had once been a vital part of Michigan Normal's counseling program, and its renewal was a welcome sight to the confused frosh and busy faculty. No longer were the new students left to the last in classification. This year they had the privilege of selecting their classes before the upperclassmen returned to take over. After a week of restful class work, they had learned much about the traditions of Michigan State Normal College and the College had learned much about their abilities. Many upperclassmen helped them find their way around the campus and made them feel that college can be fun.

Before Freshman Days were over, the 800 new students of the Class of 1953 were wearing green pots and ribbons. Either the late arrival of spring weather or forgetfulness on the part of usually alert upperclassmen delayed the reappearance of the traditional badges.

At Homecoming, the freshman men contributed to the success of an outstanding event by losing to the Sophomore men. Never before had any sophomore class witnessed a more organized and eager group of participants. Many of them also took part in the Homecoming Parade by helping with the class float.

A Mixer for freshmen only was held at the beginning of each semester. Mixing games followed by dancing helped class members get acquainted. A number of interested upperclassmen disguised as freshmen witnessed these events.

The class can also be proud of its forty-four members who were recipients of honors at the Second Annual Honors Convocation of the College held April 25.

This spring the class leaders, Elain Kniebes of St. Joseph and Cyrus Webber of Ann Arbor, were appointed by a college committee. They were selected for high scholarship and leadership.

At the present time the campus is witnessing an active election campaign for sophomore class officers. Although the sophomores and juniors too are vieing for spaces for their posters the freshmen are holding their own in presenting their candidates to the student body.

Football—1949

For the first time in the history of football, dating back to 1892, the Hurons were whitewashed in their eight-game schedule. Only on two previous occasions had a Normal eleven failed to taste victory, but on these occasions the teams were able to salvage some glory on the gridiron by virtue of a tie.

The eleven was under Coach Harry Ockerman, an alumnus who returned to take over the football reins from Coach Rynearson. Although his debut was an unhappy one, his future seems, at this time, full of promise. Glimpses of the power that the Hurons will display in the next season were found in some of the games played this year. Against a powerful Western Kentucky eleven, the Normalites' smashing T-plays forced their opponents on the defense in the first half of play. Nick Yonkers and the Hope aggregation were stalled in the first half, but the Hurons again faltered in the later stages of the game. This inability to play offensive ball during the second half was due to lack of experienced reserves. This year the reserves, well trained in the intricacies of the T-formation, should help to obliterate last season's weakness.

The added spring training should help to round out the Hurons for the nine games scheduled for next fall. It is one of the toughest schedules ever taken on by Normal. It includes five members of the newly formed I.I.A.C. and a renewal of athletic relations with Wayne University. It is of interest to note that up to this time Normal holds an edge over the Wayne gridders. The record reads ten victories, five defeats, and two ties for the Hurons, against this powerful foe.

1949 Cross-Country

Michigan Normal's 1949 cross-country team was plagued with injuries but managed to come up with a winning dual meet record. Coach George Marshall had a veteran-studded team, but it was a freshman, Eddie Aylmer, who provided the spark. Eddie ran in the number one spot all year and climaxed the season by placing 19th in the National Senior AAU Meet in Detroit.

Captain Don Smith and Bill Lintner are the only seniors on the squad, which included juniors Bob Spencer, Mike Duszynski, and Bob Dean; and sophomores Bill Collver, Gene Seidl, Dick Bucholz, and Hal Smith.

The harriers opened their season with a triangular victory over Ohio Wesleyan and Ohio University at Delaware, Ohio. Eddie Aylmer and Dick "Buck" Buchholz ran fine races as Normal won, 26-29-33. Aylmer was the first runner to hit the tape.

Ball State came to Ypsi and edged the Hurons, 27-29, as Aylmer and Buchholz were again the first Hurons across the finish line. The hopes of the team were shattered when it was learned that Buchholz was all through for the year because of a groin injury.

Mike Duszynski and Gene Seidl came up to fill the vacancy capably with Aylmer still number one man as Normal walloped Oberlin on another Ohio jaunt. The Green and White runners made it two in a row as they blasted Bowling Green 22-23 before the homecoming crowd. Aylmer was a good 300 yards ahead of the rest of the field in this race.

Miami University walloped the Hurons 18-43, with Aylmer the only Normalite to break into the first seven, finishing third. This same Miami team won the Central Collegiates held here, with Normal placing fifth. Mike Duszynski paced the MSNC runners in this meet. Mike and Gene Seidl finished virtually in a dead heat in the NCAA meet held at Lansing.

The Hurons were far back in both the NCAA and National AAU meets although Aylmer finished 19th in the AAU, a fine finish for a first year man, and an excellent indication of his further successes in cross-country competition.

1950 Track

Michigan Normal's 1950 track team lived up to its great predecessors by romping over everything in sight in the nation's college division. The Hurons were unbeaten in dual meets and gave exceptional performances in all the large team and relay meets. Coaches George Marshall and Merrill Hershey developed a well-balanced squad which was led by hurdler Norbert Badar.

The Hurons opened their indoor season at the Michigan AAU Relays in Ann Arbor where they gave a show of their early season power by placing high in all events. The mile relay was the only winner, but Captain Badar, Jim Bibbs, and Donald Harrower all did well in their respective events. Freshman Stan McConner, running unattached, won the open 440 event.

East Lansing and the State Relays was the Green and Whites' next stop. This time they were in really big-time competition and fared well against Big Ten teams. The mile relay team of Bob Parks, Abie Ulmer, Peter McMillan, and Wardell Gilliam again won, while the sprint medley team was second to Northwestern. Sprinter James Bibbs won the coveted 75 yard dash title and Badar was second in the high hurdles.

Normal traveled to Chicago for a meet with Gil Dodd's Wheaton College team and emerged with a 66 to 30 triumph. Jim Bibbs and Norb Badar each scored ten points with two victories each, and the relay team remained undefeated. The 440 and low hurdles constituted the day's only whitewashes.

At the Central Collegiates MSNC finished third in the team totals behind Michigan State and Notre Dame. The Hurons trailed the Irish by only two and two-fifths points. The big guns for Normal were Garion Campbell, Norb Badar, and Wardell Gilliam. The relay team ran its fastest time of the year, but lost a thrilling race to Drake University.

The Hurons won their fifth consecutive Illinois Teck Relays title and their ninth championship in the last ten years as they romped away from runnerup Loyola with 59 points to their 37.

Coach Marshall entered ten men in the Cleveland Knights of Columbus Relays and did well. They were: hurdler, Badar; dashman, Campbell; mile relay team, Parks, Ulmer, McMillan, and Gilliam; and two mile relay teams, D. Smith, Beck, Seidl, and M. Diszynski.

At the Purdue Relays, as last year, the Hurons won many gold first-place wristwatches in both the individual events and the relays. They showed their class to all the other colleges and many in the university division as well. This concluded a very successful indoor season for the thinclads.

Basketball 1949-50

The added strength from the addition of four sophomores, who played outstanding ball during their freshman year, failed to give the varsity cagers the spark that has been lacking in the last several seasons. Under Captain Leo Turner, senior from River Rouge, the Huron five won one-third of the scheduled games. A comparison with last season's record reveals that the cagers dropped thirty-eight percentage points.

One reason for the drop was that Fred Jackson, offensive star, was unable to go over the three hundred point range. Fred was guarded closer this year by the opposition. Another reason for the poor record was the loose defense put up by the cagers. They allowed the opposing teams to break through for an average of over fifty-five points per game.

Coach Bill Crouch will have to plan and improve next year's team if he expects his cagers to stay out of the basement in the tough I.I.A.C. League. He will have six lettermen to work with in his rebuilding program. Joe Wargo, Sherman Collins, Fritz Emling, Harry Fosdick, Bob Hockings, and Joe Brodie will be around for another year of competition.

1949 Baseball

A veteran squad that had set a new record the previous season looked forward to a successful year. Coach Crouch had little to worry about with three veteran hurlers—Jim Martin, Jim Bell, and Don McSween—forming a formidable pitching staff for the Huron nine. To help these veteran moundsmen, Croach had in reserve newcomer Al Berg, a southpaw from Detroit. The batting punch came from Doug Cossey, Sylvester Wojcicki, Paul Wilder, and Ted Bott.

The following is a resume of the season:

M.S.N.C. vs. Defiance—Jim Martin, Al Berg, and Jim Bell divided the pitching chore as they registered a shutout. The final count was 7-0. The return game was a rout as the Hurons won, 17-7.

M.S.N.C. vs. Lawrence Tech—Jim Bell pitched the Huron nine into a 6-3 victory. In the second game, Normal routed the Tech nine, 17-8.

M.S.N.C. vs. Alma—This was a hitting contest with Normal collecting 12 hits and Alma 11 safeties. The final score favored the Crouch nine, 8-5. Jim Martin held the Scots to two hits and no runs as he went all the way to win, 2-0.

M.S.N.C. vs. Bowling Green—Martin went 10 innings, giving up six hits and two runs as he won a hard pitched game, 3-2. Moffett singled in Martin in the tenth with the winning run. The next meeting between the two clubs was a hitting contest with Normal winning, 18-15.

M.S.N.C. vs. Michigan State College—Using all four hurlers in an effort to halt the Spartan batters, the Hurons lost the first game of the season, 13-10.

M.S.N.C. vs. Central Michigan—Normal suffered another loss at the hands of the Chippewas, 4-2. Martin was the losing pitcher, his first loss of the season. Martin came back to revenge his loss by defeating the Central Michigan nine in the return game, 9-2.

M.S.N.C. vs. U of Detroit—Jim Bell held the Titan nine to seven hits and one run to register his third win in four starts, 6-1.

M.S.N.C. vs. Hillsdale—Martin won his fifth game in six starts as he turned back the Hilltoppers, 7-4. The return engagement, the last game of a very successful season, was a hitting contest with the Hurons winning, 17-9.

1949 Golf

After several successful seasons, the golf squad completed a somewhat mediocre year as it recorded four victories, seven losses, and three tie games. This was all the more surprising in that the men on the squad were veterans of one or more seasons.

The linksmen scored victories over Bowling Green University, Central Michigan, and Grand Rapids Junior College. It dropped matches to Toledo University, Lawrence Tech, U. of M. junior varsity, Central Michigan, and Alma. Normal tied two matches with the University of Detroit, and one against the U. of M. junior varsity.

Members of the squad were captain Bob Nickels, Earl Burt, Don Hochrein, Tom Stevens, Norb Navarre, and alternates Bill Honnert and Norman Felt. Only Earl Burt returned for the 1950 season from the varsity.

This year's squad is under captain Norman Tanbar, last year's winner of the All-Campus golf championship. Dr. L. W. Olds is coach of the linksmen.

1949 Tennis

The tennis team uncovered its power in the first match of the season as it defeated Hillsdale College 6 to 1, losing one of the single matches. The net squad went on to win nine straight games before meeting its "Waterloo" at Mt. Pleasant.

Before falling from the ranks of the undefeated, the Hurons had beaten Hillsdale, Bowling Green, Toledo University, twice each, and had vanquished Albion, Alma, and Central Michigan in single encounters. The blow came in the last game of the ten game schedule, against Central Michigan. Going into the second double match, the score knotted at 3-3, Central came from behind to take the last two sets of the match and win.

Playing on "Doc" McCullogh's net squad were: number one man, Gene Claire; Dick Sunday, Al Pomnichowski, Lloyd Keller, and Jim Miller.

Most of the varsity squad of 1949, returned this spring and will be striving to chalk up an undefeated season. The squad will be led by Dick Sunday, a senior from Hamtramck. Dick will be playing in the number one slot, vacated by the graduation of Gene Claire.

Intramural Athletics

A well planned intramural program was carried out this past year under the able direction of L. W. Olds, Gus Christ, and Jack Lowe. The intramural activities, throughout the school year enabled more than fourteen-hundred men students to participate in athletics on the Normal campus.

The program included two competitive leagues: The fraternity league; the dorm league. It also featured an all-campus golf tournament, a cross country run, foul shooting in basketball, and table tennis. Individual prizes were awarded to the winners of each competitive event. Some seventy men, representing the best in Normal's intramural sports, participated in the second annual sports day at Wayne University. The schedule of events included competition in basketball, badminton, table tennis, and swimming. The Huron aggregation fared poorly as Wayne swept most of the events.

In the fraternity swimming meet, the Phi Sigma Epsilon team won the trophy for the third year. The Arm of Honor and the Phi Sig teams battled it out from the start of athletic activities last fall for possession of first place in the fraternity league. At the last count, the men from the Arm of Honor were leading by five points. However, the Phi Sig softball team may bring the first place trophy to 950 West Forest.

In the dorm league, Munson I and Independents I battled for leadership. The Independent I aggregation finished on top by virtue of copping the softball title.

The intramural annual open house program was a huge success as a full program was presented to the student body. Much credit is due the three men that guided the intramural program. The healthful expression of stored up energy is to be encouraged, for it helps to form a better college student. In no other country than the United States, have people come to accept athletics of one type or another as part of daily living. College students, due to a great amount of mental strain incurred from a full academic schedule taken by the majority of students, are in need of such a program of physical activity. There is no better way for students to constructively express pent-up energy than through participation in intramural athletics.

Women's Recreation Association

During a successful year the W.R.A. reached a majority of girls and seemed to have a strong feeling of friendly rivalry between the three dormitories and off-campus girls.

Beginning the first outdoor season in the fall was field hockey, which attracted enough girls to form a club and have inter-club competition. Being friends with the weatherman, they were able to play almost every Monday and Wednesday afternoon from four to five. One special activity they participated in was to travel to Bowling Green for games with Lake Erie College and Bowling Green. Normal was represented by the club and traveled down by bus to emerge victorious over Bowling Green, 3 to 1.

Archery also was participated in during this season on Tuesday and Thursday afternoons. Twenty-one girls took part, receiving instructions and carrying through a round robin tournament.

Volley ball also had a good turnout with ten teams competing in a double elimination tournament.

Twenty-two girls competed in a table tennis tourney while sixty girls formed twelve teams to roll at the Temple Bowling alley.

The Swimming Club met for the whole year, devoting the first semester to practicing stunts and formations for synchronized swimming. The last semester was spent working on their pageant entitled "South Pacific" and based on the music from the play of the same name. The girls divided into six groups and used such records as "Some Enchanted Evening," "This Nearly Was Mine," and "Honey Bun." The finished product was presented on April 27th at the college pool.

Basketball, for the first time in a few years, was run as a round robin tournament. Ten teams competed and nine days were taken to complete the tournament. Just to make the game interesting, three teams wound up in a three-way tie for the first place honors. This was played off after spring vacation.

Both singles and doubles in badminton were run off this year on Wednesday nights. After a few weeks of practice, an elimination tournament was played.

Completing the seasons were baseball, tennis, and golf, with many girls competing in each.

Special activities of the group were the all-college square dances and the state W.R.A. convention held at the University of Michigan. The Convention was based on the national convention that will be held next year at the University.

Panhellenic Association

The Panhellenic Association strives to co-ordinate the activities of the sororities on the campus. Supervising pledging ranks is one of its most important functions. The open-bidding system was used for the first time during the fall semester; in the spring the sororities returned to the preferential system of rushing.

This year, Panhellanic again sponsored its project of caring for children of Faculty Dames while they attend their monthly meeting.

The group actively participated in the All-College Christmas Party. Their attraction was a Keeno game and offered many prizes for the winners. Panhellenic's chief social event of the year was the Winter Serenade. This was an informal girl-bid dance held in McKenny Hall on January 14. The orchestra of Ken Norman provided the music.

Members of Panhellenic who were on the Council for the year celebrated by dining at The White Gables in Ypsilanti.

Three sorority girls with the highest scholarship were given awards at the annual Panhellenic Dessert in May; also on this occasion the officers for the next year were announced. Speaker for the Panhellenic Dessert was Mrs. Beulah Whitney.

Officers for the year were: president, Almarene Schiller; corresponding secretary, Lea Donna Nipper; recording secretary, Gloria Lang; treasurer, Ellen Brandt.

Alpha Sigma Tau

Highlight of the year for Alpha Sigma Tau Sorority was the celebration of the founding of the sorority on Michigan State Normal College Campus fifty years ago. At a Founder's Day dinner, a one thousand-dollar scholarship fund was presented to President Eugene B. Elliott by Mrs. R. H. Maher, district president of Alpha Sigma Tau. At the dinner table decorations developed the theme "Hold High the Torch," with place cards bearing the dates 1899-1949. President Elliott and the national officers of the sorority were guests of honor at the dinner.

Also outstanding among the group's activities was the Tri-Sorority Christmas Ball, sponsored by Alpha Sigma Tau and two other sororities, at Charles McKenny Hall on December 10, 1949. This was a semi-formal dance with Rex Smith and his Orchestra providing the music.

Long to be remembered was the week-end spent at Wampler's Lake in April. House parties, rowing, and hikes were enjoyed by all. Members had an opportunity to visit the historic Walker Tavern. A few weeks later, the seniors held a picnic in Sleepy Hollow.

To climax the year's activities, Alpha Sigma Tau had a breakfast honoring their new pledges on May 20.

During the year, Alpha Sigma Tau was under the leadership of the following students: president, Jeannie Burnock; vice-president, Margaret Hoffman; secretary, Elizabeth Alford; treasurer, Diane Hatlestad.

Alpha Kappa Alpha

With its usual enthusiasm, Alpha Kappa Alpha participated wholeheartedly in various worthwhile civic projects. The chief project of Xi Chapter was that of folding newspaper bags to be pinned at the bedside of patients in Beyer Hospital. Then, too, at Christmas a basket of food was donated to a needy family in Ypsilanti by the chapter.

Founder's Day Reception, which was open to all students on the campus, was held at Starkweather Hall. A program was presented in which the aims and objectives of the sorority were given. Following the program, a tea and social hour was held.

In February, Starkweather Hall was the scene of another Alpha Kappa Alpha event. At this time, the Post-Valentine Dance was given. Other winter events were the Neophyte Dinners held at the home of graduate members. Other parties were held at the apartment of their advisor, Miss Jane McAllister.

The highlight of the year was the annual semi-formal dance, Annual Akabolie, presented on April 29, at Charles McKenny Hall. Sorority sisters from Detroit, Toledo, and Ann Arbor participated.

At the Panhellenic Dessert, Alpha Kappa Alpha were proud of the fact that one of their graduate members, Mrs. Beulah T. Whitby, was to be the guest speaker. Topic of her speech was, "The Place of Sororities in Society."

Officers for the year were: President, Wanda Penn; Secretary, Catherine Nevills; Treasurer, Shirley Graham.

Delta Sigma Theta

Delta Sigma Theta began its social season last fall with an informal dance at Charles McKenny Hall for the sorority sisters and brother fraternity.

In December, the local chapter joined with Tau chapter at Wayne University in holding a workshop. The chief aim of this workshop was to re-establish the chapter in Ann Arbor. Fun was had by all two weeks later at a get-together in Detroit for the sorority sisters and their dates. Though the winter was almost devoid of snow, the Delta Sigma Theta girls found enough of it on December 26 to have a hilarious time tobogganing.

In January, Founder's Day was celebrated at Charles McKenny Hall, with the president of the graduate chapter in Detroit as guest speaker.

The variety of social activities held during the spring semester kept the girls busy. First of all, becoming impatient for warm summer weather, Delta Sigma Theta held a "Splash" Party at the Ypsilanti High School pool. Early in June, they presented the Spring Soiree, a semi-formal dance. Also included in the spring schedule of activities was the Mother and Daughter Tea which was held in McKenny Hall.

Presiding officers for the year were: President, Armeena El; Vice-President, Belle Clemons; Secretary, Bernardine Newsome; Treasurer, Miriam Linden.

Delta Sigma Epsilon

The diary of any Delta Sig is full of pleasant memories of the year's activities. A gala hayride in the fall headed the calendar of social events. Homecoming found the girls working diligently on the sorority float, and after the big game, entertaining the alumnae at a reception at Starkweather.

The fall rushing season brought the sorority nine pledges. Several Christmas projects were undertaken, among which were the outfitting of a needy student at Rackham and sending a box to Hansen's disease colony at Carville, Louisiana. The Yuletide season was climaxed with a party given by the alumnae. The Panhellenic Dance on January 14 in McKenny Hall was a huge success. This was an informal girl-bid dance. A second informal dance, the Double Dip, was also given with Theta Lambda Sigma.

Spring brought another rushing season and also a Musicale at the home of Mrs. Breakey. In May the seniors were feted at a breakfast given in their honor. Later on in the month, a picnic was held at Riverside Park. This gala event concluded the year's activities.

The club functioned efficiently under the expert leadership of the following officers: President, Margaret Baker; Vice-President, Nancy Overturf; Corresponding Secretary, Berta Lou Nique; Recording Secretary, Mary Ann De Nio; Treasurer, Jane Villro.

Kappa Mu Delta

Kappa Mu memories that won't fade: Burned hot dogs and warm soda pop at our rainy-day picnic (indoors) —the night we froze our new sponsor at our hayride with the Kappa Phi's—the slippery formals at the tri-sorority dance—the usual coffee at the Alumnae Homecoming "tea"—our unaccustomed ladylike airs to impress our mothers at the Mother's Day Luncheon and the resumption of our natural airs for the weekend at Wampler's Lake—our attempt to resurrect "angel robes" for the May Bruncheon—"floating" in the Homecoming parade in a red sailboat—trying to steal our own show from the little ones in the Christmas Sing—Woolworth's best merchandise exchanged at the Christmas Party—Miss Meyer's new parlor game "The Glove Hunt" introduced at the pledge picnic—and all year long trying to hide our high spirits from Oakie's watchful eye and her Group Dynamics.

Pi Kappa Sigma

High spirits prevailed as Pi Kappa Sigma began the year's activities last fall. Some of the enthusiasm has been caught from Fran Johnston, president of Alpha Chapter, who attended the National Convention, held at Grand Canyon, Arizona.

The girls entered a float in the Homecoming parade with the theme "When All Hope Is Gone." The coffee and donuts served by the patroness, Mrs. Lawrence, were welcomed afterwards.

At Halloween the sorority enjoyed a party at Miss Richards' apartment. The hilarious slumber party at the home of Dorothy De Groff will not soon be forgotten. Other activities were the Founder's Day dinner, and an Alumnae Card Party. One of the big events of the year was the Tri-Sorority Dance, which proved a real success. The February graduates were honored with a party near the close of the first semester. A record dance was held in March, and a grand week-end was spent at the lake over Memorial Day.

Officers for the past year were: Fran Johnston, president; Phyllis Greer, vice-president; Gloria Downing, recording secretary; Doris Greggs, corresponding secretary; Rose Winn, treasurer; Emily Lou Baily, keeper of the archives; and Mary Louise Wagar, sergeant-at-arms.

Sigma Nu Phi

Sigma Nu Phi has completed another successful year of participating in many and worthwhile civic and social activities.

The girls began the fall semester with a pledge breakfast at the home of Barbara Warner for the entire active chapter. Songs and gaiety presided over the inevitable Hayride held at Plymouth late in the fall season. Following the hayride, the members feasted on hot dogs, potato chips, and marshmallows at a "Weenie Roast" in Sleepy Hollow.

For the Homecoming celebration, the chapter presented a Chocolate Hour for the Alumnae. Presiding as hostess was Mrs. Charles Lamb. On February 25, Sigma Nu Phi presented their Sweetheart Ball, a semi-formal dance.

The members feel that one of their most worthwhile projects was their Christmas project. At this time, the girls supported a Christmas family. The family chosen was a large one, and members bought a tree with all the trimmings, clothes, gifts, and food for them.

The past year, the loan fund of Sigma Nu Phi was re-established. This fund is available to all members who are in need of financial help. Patronesses are: Mrs. Bernice Douma, Mrs. James Warner, Mrs. John Sattler, and Mrs. Ray Dell.

Sigma Nu Phi functioned progressively the past year under the able leadership of the following officers: president, Jo Ann Kinginger; vice-president, Louise Wilson; secretary, Berniece Sadler, corresponding secretary, Madeline Clough; treasurer, Lois Truesdell; reporter, Joyce Bobier.

Sigma Sigma Sigma

Success crowned the first major activity of Sigma Sigma Sigma when its Homecoming float, "Cooling Hope at O," was awarded a prize. During Homecoming week-end the Tri Sig's welcomed their alumnae at an afternoon coffee hour.

A hayride at Susterka Lake highlighted the Tri Sig calendar in November. As Christmas neared, Tri Sig's began collecting clothing for needy children in the surrounding area. The girls also sent a Christmas package to a little English orphan they have adopted.

In March Tri Sig alumnae were feted at a formal dance in McKenny Hall. Old and new acquaintances had a merry get-together in April, when Founder's Day was celebrated with a luncheon for alumnae and active members.

The sorority wound up its social season with a Mother and Daughter Luncheon, and entertained the seniors and new members at a party at the lake.

Sigma Sigma Sigma functioned efficiently under the able leadership of the following officers: president, Norma Cadorin; vice-president, Helen Eveland; recording secretary, Jean Eisen Beiser; corresponding secretary, Mary Andonian; treasurer, Joyce Nurenburger; keeper of the grades, Nancy Burrell.

Theta Lambda Sigma

Starting out the season with a fine flourish, the Theta's held a formal dinner-dance at the Farm Cupboard. Then the Homecoming Tea held at Mrs. Blackenburg's was enjoyed by Thetas and their alums, talking over the former years and celebrating the Thetas second place prize for their "Let's Lick 'Em" float. We then looked forward to the Double Dip Dance given with the Delta Sig's in March, the Dad's Reception, and Mothers' Luncheon, all of which turned out in fine style.

On the more serious side, Theta's contributed to CARE, W.S.S.F., and dressed Bo-Peep and Little Black Sambo for Rackham's Book Week pageant.

Theta's then wound up the spring season with a picnic in the Hollow and bid the seniors adieu at the annual Seniors' Breakfast.

Directing the year's activities were our advisor, Miss Beatrice Norton; president, Dorothy Brandt; vice-president, Elaine Sanders; recording secretary, Delores Soderquist; corresponding secretary, Mary Joe Baldwin; treasurer, Lillian Filsinger; and sergeant-at-arms, Joanne Kennedy.

Interfraternity Council

The Interfraternity Council has had a very successful year in governing the pledging activities of the fraternities on this campus. Not only does the Council set up rules governing behavior of students, but also inflicts penalties on those who do not abide by them.

Aside from its regular duties, the Council has helped with some of the activities concerning the children at the Rackham building. One of these activities was to attend the children at their swimming period.

One of the Council's more pleasurable projects was to organize the pledges of the various fraternities to sing at the girls' dormitories. To show their appreciation, the girls turned the tables and serenaded the men.

On March 11, the Interfraternity Council sponsored their annual informal dance, at McKenny Hall. Vic Peters and his orchestra provided the music, and it was estimated that approximately 180 couples attended.

At the end of each semester, the members of the Council were awarded a key in appreciation for services rendered during the year.

This year, the Council was expertly managed by the following officers: president, Thomas Naas; vice-president, Ted Huizenga; secretary and treasurer, Bernie Miller.

Alpha Gamma Upsilon

Alpha Gamma Upsilon started its second year of activity on this campus with an enrollment of forty-three members. With its nine new pledges, the fraternity jumped right into the spirit of Homecoming by entering a giant war canoe in the annual parade. In November, the chapter played host to other members of the national fraternity at a semi-formal dance held in Charles McKenny Hall. At Christmas the group continued its annual tradition of collecting food for the needy families of Ypsilanti.

January found Alpha Gamma Upsilon initiating pledges at a pledge ceremony which included pledges from three other chapters. This ceremony was followed by a banquet held at the Huron Hotel, at which the sponsor, Dr. John Virtue, was his usual witty self.

A new group of pledges was initiated in March. April 1 was the scene of riotous excitement; the chapter held its annual masquerade open-bid dance at McKenny Hall. In May the national convention was held in Fort Wayne, Indiana.

Alpha Gamma Upsilon functioned efficiently under the student leadership of the following officers: president, William Pitchford; vice-president, Robert Boyd; secretary, Don Wood; corresponding secretary, Douglas Kuechle; treasurer, Jerry Sheltraw.

Arm of Honor

The Arm of Honor started the year off with a bang by winning the football championship in the Inter-Fraternity League. To honor the victors, a gala hay ride was given at Susterka Lake by the runners-up, Phi Sigma Epsilon.

Many interesting activities followed the hay ride. For the Homecoming parade, the Hammerheads produced a unique float tagged "Scuttle Hope." The biggest social event of the semester was a semi-formal dance, Annual Ball of Honor, presented on November 5, with "Falling Leaves" as its theme. Then, during Christmas vacation, about twenty members visited alumnus brother Gus Howard, who is appearing at a Detroit night club, and helped him serenade the customers. Last of all, to climax the year's social events was the annual Alumni Banquet on May 27, when the brothers gave a rousing welcome to the Alumni of past years.

During the fall semester, the fraternity took in twelve new brothers, and have just finished pledging five new men, making a total of forty-six active members, the largest number in the Arm's history.

Officers for the year were Lord High, Pat O'Hara; Commander, Stan Wawryzyniak; Vice-Commander, Tom Stewart; Scribe, Jerry Peters; Treasurer, Don Harrower; Corresponding secretary, Jim Holdridge; Chaplain, Doug Smith; and Pledge Master, Jim Tascoff.

Kappa Phi Alpha

Not being able to resist the beautiful mild fall weather and full harvest moon, members of Kappa Phi Alpha began their year with a hayride at Cherry Hill. Guests were members of the Kappa Mu Delta sorority. With hayseed still in their hair, the members held a square dance at Cherry Hill early in the winter season.

From rags to riches, Kappa Phi Alpha presented their Annual Red Rose Ball on January 21, at Charles McKenny Hall. This semi-formal dance was held to welcome new members into the fraternity.

In spring, a banquet was held at McKenny Hall for the members. And last of all, the year ended the way it began — with another hayride at Cherry Hill. Following the hayride, everyone enjoyed hot dogs, potato chips, and marshmallows at a Wiener Roast. As in every Kappa Phi Alpha social activity, the evening ended with singing songs, old and new. Stag parties were held throughout the year.

Under expert guidance, Kappa Phi Alpha functioned efficiently during the past year. Executives presiding were: Alpha, Don Bloomhuff; Beta, Jerry Raymond; Gamma, Bernie Miller; Corresponding Gamma, Robert Dean; Delta, Elvin Betz.

Phi Delta Pi

Phi Delta Pi began a year of very interesting social activities with an informal dance held at McKenny Hall. Closely following was the big formal dance of the year, the Washington Dinner Dance. Presented by the active alumni, this dance is attended by representatives from all over the country. Johnny Squires presided as toastmaster at the dinner, and immediately following, all were entertained by a humorous skit, If Men Played Cards as Women Do. It was estimated that between 250-300 couples were present. Music was provided by Ken Norman for the dance following.

During April, the members held a hayride at Susterka Lake. Later in the evening, all had a gala time round and square dancing. In May Phi Delta Pi enjoyed a banquet at Inglewood Inn in Detroit. Still in the mood for food and fun, the members held a stag picnic at Dexter Park a few weeks later.

During the year, Phi Delta Pi initiated a new chapter at Ball State University in Muncie, Indiana. On the home front, they boasted seven new pledges.

This fraternity functioned efficiently during the year under the guidance of the following executives: president, Leslie Folsom; vice-president, James Wichterman; secretary, Alex Pommichowski; corresponding secretary, Ollie Weipert; treasurer, Michael Duszynski.

Phi Sigma Epsilon

The Lambda chapter of Phi Sigma Epsilon fraternity began the school year very successfully by defending its grand prize float title for the second consecutive year. Outstanding among the year's social events was the spring party at which the Phi Sig alumni were well represented. The athletic teams also maintained a successful season in intramural sports.

One of the main topics of interest that circulated around the group was the planning of the Phi Sig National Conclave. It was decided that the Conclave is to be held at the Book-Cadillac Hotel in Detroit during the last week of August, 1950. All Phi Sigs throughout the United States are looking forward to this occasion. This will be the first National Conclave to be held in Detroit in the history of Phi Sigma Epsilon.

Directors of the year's activities were Thomas Milldebrandt, president; Len Miller, vice-president; Norm Miehatch, corresponding secretary; Dave Smoker, recording secretary; Martin Gabrysiak, treasurer; Ed Schulz, social director; Ed Campbell, athletic manager; Keith Gundrum, sergeant-at-arms; Fred Hendrick, house manager; Claire Flyn, pledge master.

Sigma Alpha Delta

Sigma Alpha Delta, MSNC's youngest fraternity, has had a very eventful year. During the spring semester, the Tau Sig's formally elected to join the national Sigma Alpha Delta Fraternity, and thus became the Michigan Gamma Chapter of Sigma Alpha Delta.

During the fall semester, the fraternity and its guests had a gala time at a hayride held at Susterka Lake. Later in the evening, a square dance was held at the Lake. Stag parties during the year were frequent and enjoyed thoroughly by the members.

At the homecoming, Sigma Alpha Delta paraded a float with the slogan, "Bury Hope." On this float a dummy was hung, representing Hope College. Following the float were fraternity members carrying a coffin. The Ann Arbor News printed a picture of this ingenious float.

In January, Sigma Alpha Delta held its annual Pledge Prom at McKenny Hall. This was an open-bid dance. Chuck Meyers and his Orchestra provided the music.

Outstanding among the spring social events was the banquet held in honor of becoming elected to the National Fraternity. Dr. John Sattler was the outstanding speaker. Also during the spring semester, members attended the national convention in Grand Rapids.

Presiding officers for the year were: president, Robert Ulrich; vice-president, Kenny Geyer; secretary, Robert LaMay; treasurer, Joe Berkey.

Sigma Tau Gamma

This year proved to be an active one for Alpha Theta chapter of Sigma Tau Gamma fraternity. Guiding the members through their many activities were Dr. Carl Erikson, Mr. Edmund Goings, Mr. James Kelley, and Mr. George DeLong.

Activities during the past year included four hayrides with the Four Hoarsemen and the Tarolli brothers to provide entertainment.

The big event of the year for the fraternity was the Sig Tau Dance held on May 13. The men also enjoyed a festive picnic at Plymouth Park on May 28. Under the managership of Larry Dolot, the teams of Sigma Tau have been in the thick of the fray in sports this year taking many honors. Sig Tau is proud of Jim Bell, the star pitcher for the Normal Hurons, who has been signed up by the Philadelphia Athletics. There have been several Alumni functions during the past year, among which was an alumni dinner.

To help carry on the traditions of good sportsmanship and fellowship during the past year were the following executives: President, Ed Devine; vice-president, Walt Cieslac; recording secretary, Bill Froberg; treasurer, Pat McCauley; parliamentarian, Jack White; and athletic manager, Larry Dolot.

Zeta Chi Sigma

Since 1944, when Zeta Chi began reorganizing, many steps have been taken to strengthen the position of the fraternity on the campus. In the spring of 1949 eighteen men were pledged. Last summer, through the efforts of the alumni and active members, the house at 603 W. Cross was purchased. The active members came back to Ypsilanti early to help repair and redecorate the house. Mr. and Mrs. Koch became the house parents, and Amelia Jefferson is the new cook.

At Homecoming, the fraternity entered a float in the parade and decorated the front of the house.

Zeta Chi Sigma entered the Christmas Sing, and gave several parties in the course of the year. With the cooperation of the fraternity patron, Dr. Loesell, plans are underway for the revival of many of the pre-war traditions of Zeta Chi Sigma. Among these newly revived traditions was the Spring Cruise, presented on May 19.

In the fall of 1949, seven men were pledged to the fraternity: Harry Davis, Henry Gottwald, Randolph Nelson, Francis Martau, Robert Munsell, Malcolm Pierce, and Raymond Vautaw.

The fraternity functioned very efficiently under the able direction of the following officers: president, Wally Manko; vice-president, Alex Janice; secretary, Jim Green; treasurer, Ted Polloway.

Kappa Delta Pi

Kappa Delta Pi is a national honor society in education for junior and senior men and women of high scholastic attainment and professional promise, and for those already in the field of educational service who have achieved distinction. The objects of the society are to develop scholarship, to encourage research, and to promote fellowship among men and women engaged in the profession of teaching.

The members of Kappa Delta Pi are an industrious lot. As we look back and recall the past baseball and football games, we can see the vendors moving about the stands yelling, "Hot dogs, candy bars, potato chips for sale." Yes, these people were members of Kappa Delta Pi. The organization has had the game concessions for several years. The receipts from these sales are being put to excellent use. They have made possible the establishment of two scholarship funds. Miss Martha Best was instrumental in setting up the first scholarship fund, and so it has been named the "Martha Best Scholarship Fund." The newest fund has been named the "Roger Arnett Scholarship Fund." Roger Arnett, a M.S.N.C. alumnus, was a track star here at Normal and also a member of Kappa Delta Pi.

The officers of Pi Chapter for the year 1949-50 were the following: president—first semester, John Noell; second semester, Frank Gladen; vice president—first semester, Carl Krauseneck; second semester, Angelo Angelocci; secretary — Imogene Harger; corresponding secretary — Marjorie Mull; and treasurer—Neil Collard. The counselor is Dr. Carl Erikson.

The Stoic Society

The Stoic Society admits to membership sophomore students of high academic achievement. The organization is now in its forty-first year.

As the year began, the Stoics had plans for a full program of traditional activities. At the Christmas party, the first major event of the year, new members were elected. A reception for new members followed in January.

As is traditional, the highlight of the year was the banquet for present Stoics, alumni, and faculty, held on March 17. On this occasion Stoic pins were presented to new members, and the following scholarships were given: the E. A. Strong award to Donald Duff, president; the Lucy Osborn award to Barbara Blazer, vice president; the N. A. Harvey award to Warren Dolsen, treasurer; the Lydia Jones award to Dorothy Bergoine, secretary; the B. I. Doby award to Peggy Irwin; the M. J. Hover award to Frank Sinclair, and the Daniel Putnam award to Wardell Gilliam.

In April the White Elephant Sale was held, the proceeds of which help to make the Stoics a self-supporting organization. The year closed with the May breakfast, at which time members who will be awarded scholarships next year were announced.

Miss Martha Best is faculty sponsor.

Pi Kappa Delta

The purpose of this honorary speech organization is "to stimulate progress in, and to promote the interests of intercollegiate oratory, debate, and public speaking by encouraging a spirit of intercollegiate fellowship, of brotherly cooperation and interest, and by conferring upon deserving candidates a badge of distinction, proficiency, and honor, varied and graduated according to merit."

New members for the club are selected by the advisers and present members from a list of those students who participate in intercollegiate debating, oratory, or extemporaneous speaking.

Under the guidance of Mr. Norward Eastman, sponsor of the local chapter, the officers—Marvin Baum, president; Juanita Covington, vice president; Beverly Hauk, secretary; and Robert Tillen, treasurer—planned the year's activities.

A year of intercollegiate debates was climaxed by the annual Pi Kappa Delta tournament held this spring at Grove City. Beverly Hauk, Mary Troub, Richard Sunday, and Richard Heitzner participated in this tournament.

One of the most important events of the year was the presentation of a tape recorder purchased through the Fred B. McKay centennial fund.

Pi Gamma Mu

This year in co-operation with the History Club, and I.R.C., Pi Gamma Mu has contributed in the presentation of varied and interesting programs on the campus. This exchange of ideas and fellowship had excellent results and merits further co-operation in the future.

The oustanding event of the year was the First Annual Mid-West Regional Conclave, held May 27, at McKenny Hall. Normal's Alpha Chapter was host to chapters from Michigan State, the University of Toledo, and Western Michigan. The purpose of the conclave was to acquaint the students and guests with the vocational opportunities in the fields of social science. The program was presented in the form of a vocational forum led by prominent men in each of the fields of social science. The day's events were culminated in the evening with the Regional Conclave Banquet.

The years activities were directed by Dr. Paul Hubbell, sponsor, and Hugo Perri, president.

Phi Mu Alpha

Active on campus since June, 1948, the Delta Xi Chapter of Phi Mu Alpha Sinfonia National Professional Music Fraternity admits to membership men students who have demonstrated proficiency in music. This year the local chapter had a membership of nineteen active members, five faculty members, and seventeen alumni members. Nine men were initiated in April.

Delta Xi is honored to have Province Governor Robert O. Hoffelt, faculty member, affiliated with the chapter. The faculty advisor of the chapter is Mr. Haydn Morgan, head of the Music Department.

Officers of the chapter are Howard J. Rizner, president; Edward Meade, vice president; Richard E. Peters, treasurer; Robert G. Lenheiser, secretary.

The aims of the fraternity are fourfold: to advance the cause of music in America, to promote the brotherhood and mutual welfare of students of music, to foster a true fraternal spirit among its members, and to encourage loyalty to the Alma Mater.

On March 29, 1950, Delta Xi presented its annual All-American Concert in Pease Auditorium. The music for this concert is either written or arranged by American composers. The concert was also given on the following weekend at Almont, Carlton, and Utica High Schools.

Sigma Mu Sigma

In the spring of 1949, a group of women music students desiring to share their music with other students on the campus met, discussed objectives, elected officers, drew up a constitution, and Sigma Mu Sigma was born. The aims of this organization are scholarship, musicianship, and sisterhood.

Under the capable leadership of Miss Dorothy James, faculty advisor, activities began in earnest with the opening of the fall term of this school year. On November 17, the members of Sigma Nu Sigma presented their first musicale, marking the centennial of the death of the famous composer, Frederic Chopin. A second recital was given on May 4. On February 19, an informal tea was held at Charles McKenny Hall to acquaint new women music students with the ideals, purposes, and members of the sorority.

This year, Sigma Mu Sigma petitioned and was accepted for membership in Mu Psi Epsilon, a national professional and honorary music sorority. After a visit paid the local sorority by the national president of Mu Phi Epsilon, who explained the requirements for membership, Sigma Mu Sigma was accepted and hereafter will be known as Mu Phi Epsilon.

Officers for the past year were Marjorie Mull, president; Ollene Shears, vice president; Barbara Knoblauch, secretary; Mignon Miller, treasurer; and Ernestine Lewis Swan, historian.

Pi Omega Pi

Among the infant societies on campus this year is Pi Omega Pi, a national honorary organization for students on the Business Education curriculum. The foster parent of this organization is Dr. Julius Robinson, Head of the Business Education Department, who acted as faculty advisor.

Skilfully guiding Pi Omega Pi through its first year were William A. Evanoff, president; Neil K. Collard, vice president; Diane M. Hatlestad, secretary; Joanna B. Stormer, treasurer; and Mary Jane Hunt, historian.

During Homecoming, the club gathered at the Castle Inn for a luncheon. Also, members of Pi Omega Pi and the Business Club worked together on the making of a float. After one of the business meetings the group spent an enjoyable social evening at the home of Dr. and Mrs. Robinson. During the spring semester a number of meetings were held designed to help the students doing practice teaching and those who plan to do so next year. First there was a panel discussion on practice teaching; then an experienced teacher was invited to speak about job considerations; next a superintendent was asked to explain what is expected of beginning teachers in Business Education.

The grand finale of the year was the banquet given in honor of the graduating seniors.

The Business Club

In spite of the inevitable rainstorm which always threatens the annual fall picnic, Business Club members dusted off the old picnic basket and celebrated their first gathering of the year with fun and food. At the following meeting, a novelty Radio Quiz Program written and produced by Bettie Hunt was presented. This program enabled initiates being quizzed to become better acquainted with the group. Fun was had by all at one of the meetings when members had their voices recorded on a tape recorder, and then heard the record played back to them. A traditional activity of the Business Club is to participate in the All-College Christmas Party. This year, members boasted a large attendance in their card game room.

Programs during the spring semester featured a local personnel director who spoke on job interviews, and a discussion meeting on etiquette led by Miss Hollis.

In May, the Business Club and Pi Omega Pi joined together in honoring the senior members of their groups with a Senior Banquet. And last but not least, the year ended the way it began, with a picnic.

The Business Club officers for the year were: Joanna Stormer, president; Charles Alber, vice president; Marjorie Vliet, secretary; and Joan Ford, treasurer.

The Art Club

Eager, energetic-looking students seen hurrying toward the Arts Building every Saturday afternoon during the past school year were the inspired members of the Art Club. This club, sponsored by the Art Department for those students interested in art and creative activity, gathered weekly for open studio meetings. Here members had an excellent opportunity to meet others sharing similar interests, and to work on personal projects, receiving personal guidance. Those interested in life painting were provided with a live model.

"All work and no play makes Jack a dull boy," say the Art Club members. Therefore, excursions were planned periodically which served for pleasurable as well as educational purposes. A three-day trip to the Chicago Museum was the highlight of the year's activities. Other excursions were trips to the Toledo Museum of Art and the Detroit Art Institute.

A fitting climax to the year's events was the student and faculty art exhibit held in April. The exhibit provided an opportunity to display individual works accomplished during the year.

Officers for the year 1949-50 were Gawaine Dart, president; Connie Carrothers, secretary; and Janis Schaefer, treasurer.

Association for Childhood Education

During the past year, prospective teachers interested in broadening their scope of knowledge in early elementary teaching had the opportunity to secure supplementary information about children through membership in the Association for Childhood Education. This year, a program of varied activities was planned and successfully executed under the efficient guidance, of Miss Syverson, Miss Hester and Miss Skinner, faculty advisors.

Actual contact with children through workshop programs was especially helpful to members of the A.C.E. who were unfamiliar with teaching methods and supervision of children's activities. One of the most pleasurable of these programs was the Christmas Party given for the needy children of Ypsilanti. Here children received jigsaw puzzles, dolls, and other toys made by the A.C.E. members. Other workshop programs, as learning the technique of operating a tape recorder, made the year's program particularly interesting.

Speakers were another medium through which members received additional information concerning early elementary teaching. One of the most interesting speakers was Miss Virginia Cooper of Roosevelt School in Ypsilanti, who spoke to the members on the behavior and development of preschool children.

Student leaders of the A.C.E. during the year were: Lois Shankwiler, president; Wilma Griffiths, vice president; and Connie Church, secretary-treasurer.

Chemistry Club

The Chemistry Club has as its purpose to further the common interests of students, alumni, and faculty in the field of chemistry.

Among the outstanding activities of the club were the annual Alumni and Anniversary Dinners. Club meetings were highlighted by such interesting programs as scientific movies, talks by eminent scientists, and demonstrations.

Directing club activities this year were Floyd Ouellette, president; George Helvey, vice president; and Margaret Stanford, secretary-treasurer. Dr. Brundage acts as patron and advisor.

The club has been functioning for forty years under able leadership, and alumni members have contributed to many outstanding scientific projects, such as atomic, biochemical, and medical research. At the 1941 Anniversary Dinner, the B. W. Peet Scholarship Fund was originated in honor of Professor Peet. Awards from the income of this fund have since been made to outstanding students majoring in chemistry. Margaret Stanford and Robert Theriault were this year's recipients.

Collegiate Country Life Club

The Collegiate Country Life Club has enjoyed a year of entertaining and educative programs. Composed primarily of students on the State Limited Curriculum who are preparing to teach in rural areas, the club was under the leadership of Gail Williams, president; Gerry Barnum, vice president; Betty Yago, secretary; and Donavee Cook, treasurer. Miss Ethel O'Connor and Mr. Donald Currie acted as faculty advisors.

One of the most valuable of the year's activities was a talk by Mr. Rex Wedel, Jackson County Assistant Superintendent of Schools, who spoke to the girls on the subject of the relations of the teacher to the school administrators.

A Christmas party for the children of Carpenter School, at which many two-year students do their practice teaching, was the outstanding event of the first semester. A play, "And Then the Bells Rang," was presented; games were played; and gifts were given to the children.

Spring social events included the annual picnic and a tea honoring the students graduating with the State Limited Certificate.

The club has a membership of one hundred and twenty-five students.

Debate

The Debate Squad has had an extremely active and interesting year. The twenty-two debaters have participated in twenty-one inter-collegiate debates, meeting teams from many other states and making several out-of-state trips. The nation-wide college debate topic for this year has been the following: Resolved: That the United States should nationalize the basic non-agricultural industries.

The season began in December with the Michigan State Novice Tournament at Lansing. An elimination tournament was held here to determine the two teams which were to take part in the Great Lakes Tournament at Bowling Green, Ohio. Four teams attended the Buckeye Tournament at Kent State.

The Men's State Tournament was held at Lansing, and the Women's State Tournament at Wayne University.

Our teams also attended the University of Michigan Cross-Question Debate Tournament. In April, four teams returned to Bowling Green for a Novice Tournament. On the same day, two teams were in the Michigan Teachers' College Tournament. The final event was the Regional Pi Kappa Delta Tournament in Grove City, Pennsylvania.

The team as a whole made a fine record. M.S.N.C. won the Michigan Teachers' College Tournament, and tied for first place in both the State Men's and Women's Tournaments. The teams took second place at the Novice Tournament in Bowling Green.

The debate group is directed and coached by Mr. Norwood Eastman.

English Club

This year the many activities of the English Club reflect the enthusiasm of its interested members. The first undertaking was to elect officers. At the largest meeting of the year, Lyle Robertson was chosen president; Beverly Schmidt, vice-president; Ismene Maxouris, secretary; and Bill Valley, treasurer. At the same meeting, Mr. David Hawes of the speech department presented selected readings from Shakespeare.

Also presented was a discussion on student teaching led by Miss Brown and Miss Langworthy, critic teachers at Lincoln and Roosevelt. Two skits were given by students of Dr. Sanders' methods class showing how the teaching of literature in high school can be varied. At another meeting, Mr. Slay of the education department led an informal discussion on the teaching of English.

At the last meeting in May, officers for the next year were chosen, and an address was given by Mrs. Magoon.

The organization was again under the directorship of Miss Eckert.

Gavel and Rostrum

Gavel and Rostrum has been an active and ambitious group this past year. The many new members seem as eager as the old to keep the organization a progressive one on our campus.

A radio guild, with Ralph Sharp and Robert McDougall as co-chairmen, has been formed within the group. Its first program was successfully presented over station WPAG. The program explained the function of the Michigan State Normal Student Council and the activities of the Gavel and Rostrum Club. In preparation for the radio presentation, the club members observed a University of Michigan student broadcast in Ann Arbor.

The organization is primarily interested in speech activities; it strives to provide for its members varied speech experiences and to give them opportunities to listen to the best in speech work. Throughout the year the members presented round-table discussions, forums, debates, impromptu speeches, and dramatic readings and interpretations. A pleasant addition to the club's program agenda was a speech given by President Elliott on the pertinent subject of state aid to education.

The organization had various social activities throughout the year. The members attended "King Lear" in Ann Arbor, and held their Spring Banquet in May.

First semester officers were Roland Duke, president; Rudy Ruppe, vice president; Jackie Jacobs, secretary; Emory Dare, treasurer. During the second semester, Emory Dare was president; Jim Burke, vice president; Jackie Jacobs, secretary; and June Richardson, treasurer.

History Club

Open to students who major or minor in history or social science, the History Club meets once every month and presents educational and entertaining programs. Several changes in organization were made this year. In accordance with the newly adopted constitution, a fifty-cent initiation fee per member was levied each semester to defray the expenses of the meetings.

One of the oustanding meetings of the year was Professor Howard Blackenburg's lecture about his trip to Europe, in which he revealed interesting facts pertaining to the war recovery in England, France, and Germany. The club invited the whole college to hear Professor Blackenburg.

Members enjoyed the movie "Driven Westward" starring Tyrone Power at another meeting.

The club was under the leadership of Sam Perry, president; Bill Froberg, vice president; Martha Beall, secretary; and Jack Mobley, treasurer. Miss Elizabeth Warren of the History Department acted as sponsor of the group.

Grass, J. Burke, M. Teare, B. Marlow, T. Matylewski, M. Sakarotis, J. Buchalski, J. Musser, A. Gallup, E. Gratsch.

Home Economics Club

A Getting-Acquainted Party, held at the Home Management House, followed in November by the formal initiation of new members, was the first major activity of the Home Economics Club. The Christmas season brought one of the highlights of the year, the annual Christmas dinner given by the members of the club for their parents. Following the dinner of turkey, plum pudding, and all the trimmings, the group was privileged to hear a few words from President Elliott, Dean Isbell, and Miss Bauch. Earl Baggett gave a reading from Dickens' CHRISTMAS CAROL, and Margaret Kovitz led the singing of Christmas songs.

In March a professional meeting was held. Irene Maier, Administrative Dietitian; Doris Jedele Vanden Belt, homemaking teacher at Willow Village; and Jeanne Kenny Dickson, homemaking teacher at Wayne High School, returned to campus and told about their work and the ways in which home economics training has benefited them.

Several members of the club went to the Home Economics Convention at Michigan State College in April. Here they met with home economists from all over Michigan and learned what is being done elsewhere in the field. April also saw the return of many familiar faces at the annual Alumni Luncheon. In May, with the coming of spring, the club rounded out the year with a farewell picnic for the seniors, at which time the new officers were installed for next year.

Officers of the club were Donna Kern, president; Lillian Filsinger, vice president; Nancy Cole, secretary; and Barbara Wenzlaff, treasurer.

Industrial Arts Club

No member of the Industrial Arts Club could complain of having "time on his hands" during the past year. The full schedule of activities was highlighted during the fall season by a Fun Night held in the Roosevelt gym, where square dancing and games kept club members in a lively mood. But the club can boast of accomplishments other than successful social events. During the Christmas season, the group, in cooperation with the merchants of Ypsilanti and the Goodfellows, planned and made over two hundred toys for underprivileged children. During the year the club sponsored a number of moving pictures covering various subjects in the industrial arts field, worked on an alumni file, and cooperated with several college departments when construction work or printing was needed. One of the big events of the year was the club's attendance at the Michigan Industrial Education Society Convention at Grand Rapids. A picnic brought the year to a close.

Harold Doume, president; Ralph Liechfield, vice president; Barbara Schneider, secretary; and Joseph Stachnik, treasurer, led the club's numerous activities. The group enjoyed the sponsorship of Mr. George Willoughby and the active cooperation of the other faculty members of the Industrial Arts Department.

The International Relations Club

Every Thursday evening a group of Michigan Normal students is to be found in McKenny Hall indulging in heated debate. These students are members of the International Relations Club, who under the leadership of their officers—Charles Touner, president; Donald Stein, vice president; and Jeanne Kelly, secretary-treasurer — learn about and discuss topics of international and domestic interest. The policy of the club is to hear all sides of the question discussed and leave the formulation of a definite stand on the matter to the individual. The motto of the club may very well be Voltaire's statement, "I disapprove of what you say, but I will defend to the death your right to say it."

The members hear speakers from off-campus as well as local professors and student panel discussions. Among the outstanding speakers of the year was Professor Howard Blackenburg, who told the club of his trip to Europe, and of the problems faced by the people there. This spring several members attended the Tri-State convention of the National Association of International Relations Clubs, with which the local club is affiliated. With the coming of warm weather, the members laid aside their discussions long enough to end the year's activities with the annual spring picnic.

Library Club

The year 1950 saw the origin of the Library Club on the Michigan Normal campus. Until January of this year the library students had been without any associational ties. It is the hope of this new organization to stimulate future members and to foster a closer feeling of unity among library students. Membership is open to all students with a major or minor in School Library Service.

Serving as officers this semester were Betty Lord, president; Emmy Lou Bailey, vice president; Doris Selby, secretary; and Frances Johnston, treasurer.

The activities of the group have included talks by several librarians, social hours, and a trip to the Cranbrook Library.

The Library Club owes much of its initial success to the teaching members of the library staff—Miss Andrews, Mr. Cleveringa, Miss Rosentreter, and Mrs. Bates—who so willingly gave their time and suggestions to help make this organization possible.

Mathematics Club

After early reorganization meetings, the Math Club began planning for its annual Christmas party. On December 1, a large gathering enjoyed the movies, games and refreshments served in Starkweather Hall.

During the second semester, several interesting programs were presented by the students. Russ Hotchkiss discussed non-Euclidian geometry; Jim Eyles instructed the group in performing interesting coin tricks; Beverly Schmidt reported on the national convention in Chicago for teachers of mathematics, and Norman Tanbar led a panel of student teachers in a discussion on student teaching. After each meeting, the groups adjourned to the union grill for interesting informal chats over coffee.

On May 25th, the organization journeyed to the Hollow for its annual spring picnic. After a supper of hotdogs, potato salad, and cokes, the group split into teams for a lively game of baseball.

The group was sponsored by Mr. Goings and Mr. Falahee. The officers were Jack McParland, president; Russ Davidson, vice-president; John Harrower, secretary-treasurer; and Pat Waara, corresponding secretary.

Music Club

The Music Club, an organization composed of music majors and other students interested in music, desires to stimulate a professional spirit among its members. An attempt is made to broaden the student's knowledge of the various phases of music and to foster friendship among the students.

With the guidance of Miss Dorothy James, faculty advisor, this year's officers — Robert Lenheiser, president; Marjorie Mull, vice president; and Roseland Eastman, secretary-treasurer—planned an active schedule.

Among the social activities of the year were three outstanding events. The annual Halloween Party, held in Pease Auditorium, was heartily enjoyed by all who attended. Then, of course, there was the formal initiation of new members into the group. As the curtain went down on the final weeks of school, the annual Spring Breakfast was held at Recreation Park.

Highlights among the year's musical events were the Instrumental and Vocal Recital given during Freshman Orientation Week; the annual Manuscript Recital, which is a program featuring original compositions by the music students; and a variety of student recitals.

Natural Science Club

A variety of programs highlighted the year for the Natural Science Club. As picnicking ranks high among the favorite pastimes of the club, a fall picnic topped the list of activities.

At the regular meetings, movies were shown on Michigan, deep sea animals, and birds; colored slides on "Nature in Michigan" were also presented. Lectures were given on soil conservation and experimental nutrition. A chalk-talk on "Our Naturalist Presidents" proved particularly enjoyable. A Christmas project, making holiday wreaths, allowed club members to exercise their talent and ingenuity. Informal coffee hours followed each program.

Two new types of programs were initiated this year. The first type was an election dinner, at which time the new officers were elected. The second type was an alumni program at which former members related their experiences in their field of work.

The officers of the club are Frank Sinclair, president; Roger Armour, vice-president; Mary Vukovich, secretary; and Wayne Shank, treasurer. Dr. Wallace is the faculty advisor.

Occupational Therapy Club

A wiener roast and cider sip in the Hollow brought the members of the Occupational Therapy Club together for their first social gathering of the year. The Christmas season saw the club working on a Christmas play written by Barbara Sauder and directed by Mr. Hawes. Performances were given at the Rackham School and the Ypsilanti State Hospital. At Easter the O.T.'s gave an Easter Egg Hunt for the children of the Rackham dormitory; games, prizes, and favors were the order of the day.

In May several delegates were sent to Kalamazoo for the annual convention of the Michigan State Occupational Therapy Association. Money to finance this trip was raised by the annual bazaar held at McKenny Hall at Christmas time. Also in May the club enjoyed a banquet at Castle Inn, which was followed by the installation of new officers. The year's activities were brought to a close with the annual spring picnic.

In the bi-monthly meetings the members learn of new crafts, see movies relating to the use of occupational therapy in rehabilitation, and hear guest speakers. The club has also arranged field trips to the Detroit Creative Workshop and to the University Hospital in Ann Arbor, where the members have the opportunity to see occupational therapy in practice.

The following served as officers of the club: Laura Everhart, president; Doris Sutton, vice president; Shirley Braddon, secretary; Barbara Sauder, treasurer; and Margaret Fetterly, social chairman.

The Off-Campus Women's Association

The Off-Campus Women's Association, made up of girls not living in college dormitories, aims to provide its members with an opportunity to participate in campus activities and to become familiar with college life, especially during the freshman year. Its membership this year numbered over 250 girls.

The well-planned program of social activities included a card party, a splash party, a potluck supper, a picnic, and a theater party. The Christmas season found the girls lending a capable hand at the All-College Christmas Party. The athletically inclined formed teams and participated in W.R.A. activities.

Serving as officers for the past year were Nancy Burrell, president; Marian Evans, vice president; Margaret McCall, secretary; Rosemary Shadford, treasurer; Nancy Barenow, sports manager; Shirley Barnes, social chairman; and Beverly Hinsch, publicity chairman.

The association enjoyed the assistance of Miss Helen Rudin, who served as advisor.

Orchesis

The Christmas season inspired this year's Dance Club to the first major display of its talents to the campus. The terpsichorean performances of the club added to the joyous festivities of the annual Christmas Program, the All-College Christmas Party, and the Christmas Sing.

Spring found the Dance Club making a graceful contribution to the annual Play Day and receiving bouquets for a very successful Spring Program.

A hayride and a Spring Dance were outstanding among the social activities of the club.

The officers of the club were Esther Farwell, president; Betty Jean Favinger, vice president; Rosemary Brodie and Bernadine Newsom, secretaries; and Nora Amerman, treasurer. The membership reached a total of seventy-five, including the beginning, intermediate, and advanced groups.

Physical Education Club

The Physical Education Club, which dates back to 1888, has always attempted to keep its prospective teachers abreast of changes made in the physical education field. Interesting speakers provided one medium through which this was accomplished during the past year. The members particularly enjoyed hearing two outstanding speakers: Barbara Holland, who spoke on school camp programs, and Amy Middlewood, who spoke on mental hygiene.

Interest in the club was stimulated by the various colorful events presented periodically. A tap dancing contest was held during the winter months, and in the spring a modern dance program was presented. In March the club went rural and sponsored a square dance.

To give financial assistance to outstanding students majoring in physical education, the members of the club generously contributed to the Burton, Bowen, and Sampson and Todd Scholarship Funds.

The club met monthly and functioned successfully under the student leadership of the following: Nancy Overturf, president; Doris Boyle, vice-president; Larry Soldan, treasurer; Jeanne Bradner, secretary. Faculty advisor for the year was Miss Dorothy Copony of the Physical Education Department.

The success of the Physical Education Club is due in large measure to the staff of the Physical Education Department. Miss Ruth Boughner, head of the women's division, and Mr. J. McCulloch, head of the men's department, have been outstanding in their co-operation with the club. Miss Jane Brint, modern dance instructor, and Miss Augusta Harris, head of the Recreation Curriculum, have contributed much to the success of club programs. Mrs. Catherine Steen, Miss Candace Roell, Miss Dorothy Copony, and Miss Helen Stewart directed women's sports activities. Also helping to round out the activities of the club were the instructors of the men's department: Mr. William Crouch, head of the basketball and baseball squads; Mr. Harry Ockerman and Mr. Thomas Dyer, in charge of football; Mr. George Marshall and Mr. Merrill Hershey, track coaches; and Mr. Loyd Olds, head of the intramural program.

Special Education Club

It is the purpose of this club to further outside interest in the field of Special Education and to co-operate with the college administration in the development of high standards in this field. Any student on the Special Education curriculum is eligible for membership in this organization.

Under the leadership of John Groos, president; Donna Cooper, vice president; Dorothy Fry, secretary; and Charles Deschamps, treasurer, the club enjoyed a full year. Its major activities included making a float for the Homecoming parade, a Christmas party for the children at Rackham, a party for the new members at the beginning of the second semester, and special business meetings with faculty members.

The most important event of the year was the drawing up of the club constitution. With Dr. Lord as their adviser, the students composed and approved the document which is to govern the functions of the organization.

A very interesting activity of the club is the lectures which members give to adult discussion groups concerning the field of Special Education. It is through these lectures that they further an interest in, and an understanding of, handicapped children.

Student Wives' Club

It is the aim of the Student Wives' Club to bring its members into closer touch with the campus activities of their husbands and to provide opportunities for social contacts with one another.

Under the leadership of Mrs. Jack Rice, the club meets once a month to plan various social activities, and to discuss the problems facing the student wife of today.

With the assistance of Mrs. Virginia McKeachie, faculty sponsor, the club has enjoyed an exceptionally busy year. They began their activities with a fashion show in the fall. A Christmas party, the next major event, proved to be the biggest success of the year. In January the group enjoyed a dinner at the Castle Inn. During February a meeting was held at McKenny Hall and movies were shown discussing helpful hints for the wives and their families. A square dance brought the year's social events to a successful close.

Choir

The College Choir is a group of forty advanced singers selected from the Choral Union. This group meets regularly twice a week. During the year, approximately twenty-five members of varied types are memorized and another twenty-five read for choral experience. A large portion of the work is A Capella.

The College Choir is active throughout the year, singing at town functions as well as various college activities. During the first semester, the group sang at the annual Christmas Party, and the Rotary Christmas Night Program. A Bach program was presented for the College of the Air series on Station WHRV. In December the Choir sang a group of eight original compositions for the Michigan Composers' League, which held its meeting on our campus.

During the spring semester, the Choir sang at the Palm Sunday Concert, the Commencement exercises, and the Senior Convocation. During National Music Week the choir presented a program for the Kiwanis Club. The group also presented several high school assembly programs throughout southeastern Michigan.

The Choir is under the direction of Mr. Haydn Morgan, head of the Music Department.

Choral Union

It is the aim of the Choral Union to encourage the appreciation of good music and to provide musical entertainment of high quality.

The group presented three programs last year: the Christmas Concert; the Palm Sunday Concert, which featured selections from the MESSIAH; and the Baccalaureate program, at which Josef Haydn's CREATION was presented, with the orchestra and faculty soloists assisting.

The Choral Union, which is open to all students, consists of the Choir, the Women's Chorus, the Men's Chorus, and the Freshman Girls' Vocal Ensemble, and is conducted by Mr. Haydn Morgan, head of the Music Department.

CHORAL UNION

ORCHESTRA

BAND

Orchestra

Traditionally fine programs presented by the orchestra afforded the campus much pleasure during the past year. In addition to the two concerts in November and May, a Youth Concert featuring "pop" or light music was also given. The highlight of the year was the performance of the CREATION by Joseph Haydn, in which the orchestra accompanied the Choral Union at the Baccalaureate in June.

The orchestra made a brief concert tour of a few of the high schools in southeastern Michigan.

Open to all students, the orchestra provides its members with valuable training and a chance to enjoy playing music. The orchestra was conducted by Mr. Maurice Riley.

Band

In striking green and white uniforms, the Normal band made an impressive sight both on the football field and in the auditorium. During the football season, the band played at all home games and performed skillful formations on the field at half time. The marching activities were climaxed by a trip to Mt. Pleasant when the band took part in half-time ceremonies at the Normal-Central Michigan football game.

After the football season, the band turned its attention to concert work. This year's series, which included a concert in January and another in April, was highlighted by an outdoor concert in May at Briggs field. The band also made a brief concert tour among a few of the high schools in neighboring areas.

The band was conducted by Mr. George Roach.

Canterbury Club

The Canterbury Club is the student organization representing St. Luke's Episcopal Church. Its aims are to provide for the spiritual needs of men and women while they are away from their home parishes, to preach the gospel to the unconverted, and to make Christianity an integral part of higher education.

The group holds weekly Sunday evening meetings at St. Luke's Church House which consist of a short service and discussions, after which refreshments are served. The club also has open house on Thursday afternoons.

The Canterbury Club had a Holy Communion service at Starkweather Hall just before Easter. The annual dance and a fair were outstanding among the year's social events.

The club is sponsored by Reverend Hugh C. White, Jr., and has the following officers: Bill Sweet, president; Doug Wiseman, vice president; Mary L. Stevens, secretary; and Bob Wilson, treasurer.

Christian Youth Fellowship

The Christian Youth Fellowship is an organization for the Baptist, Congregational, and Presbyterian students on this campus. During the year the group enjoyed the leadership of Thelma Phillips, president; Harold Burmeister, vice president; Katherine Sole, secretary; and Harold Sole, treasurer. Miss Esther Kennedy acted as director for the group.

As its major study project, the members sought information pertaining to the beliefs and practices of other denominations, and participated in discussions on this subject. To obtain a better insight into other religions, the group invited various speakers to lecture here. Rabbi Leon Fram, of Detroit, discussed the background of the Jewish Thanksgiving traditions; Dr. Yoder, Lutheran student director of the University of Michigan, told the group of the Lutheran concept of the Reformation; Mrs. Clara Jones, Detroit librarian, and President Robert Bevin of the Baptist Missionary School in Chicago were other speakers during the year. C.Y.F. also enjoyed the visits and talks of local ministers and members of the faculty. A Spring Retreat at Camp Grindley climaxed the year's activities.

Newman Club

Many interesting lectures and social events made this year a full one for the Newman Club. This organization, composed of Catholic students of Michigan State Normal and Cleary Colleges, endeavors to enrich the spiritual, intellectual, and social life of its members.

The doors were thrown open to new students and future members at a reception in October. A Halloween dance, a Christmas party, and Mardi Gras festivities were other highlights of the year's social activities.

As its contribution to the All-College Christmas Sing, the club brought forth new talent in Leroy Rockquemore, who wrote and sang the Christmas song "Stocking for Two." Later in the year a Jazz Concert was sponsored in which Leroy was featured.

During the year the group heard a series of lectures by the club chaplain, Father Hunt, and enjoyed several communion breakfasts.

The graduating seniors were honored by a party, and a picnic ended a successful year.

Leading the club were Pauline Charron, president; Bill Froberg, vice-president; Mary Beth Baker, recording secretary; Mary Ann Bennett, corresponding secretary; and Elsie Johnson, treasurer.

Student Religious Association

The Student Religious Association is composed of all the church youth groups on our campus. It strives to promote better understanding among the religious organizations, to integrate their activities, and to initiate a campus-wide religious program.

With these aims serving as guides, the S.R.A. has had an active year. In the fall there was an Opera House at Starkweather for all freshmen, and a Hymn Sing for all students on the first Sunday evening of the semester. Preceding the holidays, a series of three Christmas programs for mediation were presented with Eleanor Kahler serving as general chairman. The Association also sponsored a book drive for Legarda College in the Philippines.

As a part of its regular activities, the Association sponsored a social period each Wednesday afternoon at Starkweather Hall. All faculty members and students were invited to these informal Over-The-Hump Club gatherings.

The spring semester was also a busy one for S.R.A. The Association sponsored an all-college assembly program, presenting the movie "Prejudice." Ruth Oakes was chairman of the World Student Day of Prayer activities in Roosevelt Auditorium and in February an all-college square dance was given. In concluding its activities, the S.R.A. planned a Spring Workshop to evaluate the year's work and to make plans for the following year.

Officers were president, Rod Highfield and Wilma Griffiths; vice-president, Eleanor Kahler; secretary-treasurer, Wilma Griffiths and Ann McComley; publicity chairmen, Ed Prong, Dorothy Carroll, and Dean Osgood; and social chairman, Jane Riest.

Orthodox Student's Society

A newcomer to the Normal campus, the Orthodox Student's Society welcomes to membership all students who belong to the Eastern Orthodox Catholic and Apostolic Church.

The purpose of this organization is to instill among its members a deeper knowledge of the Christian faith, and to further a more thorough understanding of the heritage, traditions, and the mission of the Orthodox Catholic Church.

The Normal branch of this society is the second one to be formed. The original branch was founded five years ago on the University of Michigan campus and, under the guidance of Fr. S. M. Sophocles, has grown rapidly and distinguished itself by its many fine religious and social activities.

Huron Christian Fellowship

The Huron Christian Fellowship, an inter-denominational organization, is open to all students on campus.

At the Monday night meetings, the group engaged in many worthwhile activities. Outstanding among the guest speakers were Mr. and Mrs. Ken Cummings representing the Youth For Christ organization. The group was fortunate enough to obtain the colored film "Dust or Destiny," which has been in great demand in churches and religious organizations throughout the country. A series of Bible studies by Jim McGuire, Inter-varsity Staff Member for Michigan, proved very interesting. Music for the weekly meetings was provided by Jane Reist, Ken Stephens, and Ben Makin.

In October several delegates were sent to the fall conference of the Inter-varsity Christian Fellowship at Walden Woods. This spring several members attended a conference on the subject, "The Campus in the World," where they received instruction in leadership in campus work.

Social activities also rate high with members of H.C.F. Last November found the members scouring Ypsilanti for red hair and a policeman's signature for the scavenger hunt. At Christmas the group went caroling at the Old People's Home, and in March they opened the hollow early with a weiner roast.

Guiding the club this year were Katherine Van Hoy, president; Bill Battishill, vice president; Isabell Jones, secretary; and Arthur Carpenter, treasurer.

Wesley Foundation

The Wesley Foundation is a Methodist student fellowship. Members are provided the opportunity to think, work, play, and worship together in a stimulating Christian relationship. The purpose is to help the individual to become a better person and to find a vital personal relationship with God, and to develop a fellowship in which individuals will mutually strengthen one another in Christian living.

Director of the Foundation is Miss Crystalle Huber, and the pastor of the local church is Dr. Wm. Clyde Donald.

On Sunday mornings at 9:30 a seminar in religion is conducted in the church house; at 10:45 there is the morning service of worship in the church; and at 6:00 p.m. the Sunday evening meeting, which includes an evening meal, a song fest, and a short worship service.

Highlights of the year were the fall Freshman Party, which featured colorful square dancing; a dramatic presentation by Miss Marion Stowe; the Mid-winter Retreat at Don Camp's summer home; and fireside discussions held in homes of church members.

The officers were Joan Ford, president; Mary Troub, vice president; Glennie Lou Brown, secretary; and Robert Wilson, treasurer.

Normal College News

Under the editorship of John C. Noell the **Normal News** has continued its policy of voicing student opinion and presenting news as it happens. Following higher journalistic styles of writing, the **News** followed every lead in promoting the growth of the Student Council and campus government, yet being watchful to include students and faculty in the progressive life of this campus.

Newsworthy activities and causes were endorsed and publicized. The W.S.S.F. Drive, class elections, and sports events, all of which are an integral part of our education process, were given wide range.

The vital growth in assembly program production saw renowned speakers brought before students. This was partially made possible by the **Normal News,** which voiced student opinion.

Following John C. Noell's graduation in February, Walter G. Manko assumed the responsibilities of editor for the remainder of the year. The **News** continued its style of newshandling and offered its cooperation to all campus organizations and activities.

The growing interest in the Student Council and class organization was given fullest possible publicity. Since its inception the Council faced many problems that were brought to the students by the News. As a communicative organization the Normal News aided in arousing student interest in Student Council, Men's Union, Women's League and class elections. Democratic principle was being lived by each participant in these elections instead of receiving lip service.

Public Relations, always a vital part of any organization, were ably covered by Thomas Milldebrandt, Normal News Sports Editor. This work served to inform metropolitan areas as well as the local community of the position that Michigan State Normal College plays in the educational field. It expresses the need for a more extensive program of public relations.

While working with this branch of news Milldebrandt has successfully edited the sports activities on this campus. His work in the past three years will leave an impression in the minds of those people who have had dealings with this college.

Veteran writers in the sports department give full coverage to every major and minor sports event in which members of the college community participate. The work of such men as Flemming, Graham, Dolot, Parks and others aids in presenting a true picture of happenings in the sports field.

Not all of the glory rests in 'by-lines'; the work behind the scenes that makes a paper what it is rests upon the shoulders of John Errante, assistant editor, and Hugo Perri, business manager, and the student writers who comprise the staff. Each person unstintingly offered his time and service to make the **Normal News** the clarion of Good News.

Hugo Perri, Wally Manko, John Errante.

The Aurora

The purpose of an annual is to present a pictorial story of the school year. This has been the aim of the AURORA since its first edition published over fifty-eight years ago, and the 1950 edition is no exception.

Many problems have faced the staff before presenting this book to you; however, its many capable members with help of the engraver—Jahn and Ollier; the printer—the Ann Arbor Press; the photographer—Mr. Robert Southgate, and the cover manufacturer—S. K. Smith have been able to meet and overcome these obstacles.

This year we met our first difficulty in the inexperience of the new AURORA Board. But the fine spirit of cooperation and willingness to learn soon united it into a functioning body. The chairman, Mr. Vartanian, did a commendable job in helping the staff direct its business and solve its ever present budgeting problems to the satisfaction of the administration. Miss Ackerman spent many hours correcting the many articles written by the various student contributors. And the desire for a well written and organized book was instilled by Mr. Cleveringa. Studetns too had their voice in the publications. Donna Kern, John Errante, and Kay Shannon were their representatives.

Financial matters were very capably handled by the business manager, Nancy Burrell. The staff greatly enjoyed working with Mr. G. Brightman in solving layout problems and had its engraving managed by an experienced member, Hank Hendrick. The division pages were very effectively designed by Fred Katon and the cover and end sheets by Maureen Scanlon. Hugo Perri again returned to handle the sports section.

Led by Beverly Schmidt, editor, and Donna Frede, assistant editor, the staff had an enjoyable year of working together. In October, Bev and Donna attended the National Scholastic Press convention in Detroit, and, after a weekend of conferences and fun, returned with many ideas for a successful yearbook. For several days in May before the book finally went to press, Bev was warmly received by Mr. Rose and the Ann Arbor Press while she worked in their plant composing last minute copy and giving final instructions for printing the book. The members of both the AURORA and NORMAL NEWS staffs united to celebrate the end of a year of hard work at a publications banquet on May 20th.

Other members of the staff were Helen Digon, layout editor and typist; Dotty Carroll, organizations editor and typist; Kay Shannon, fraternity-sorority editor; Nancy Pilcher, first semester organizations editor; Norm Tanber, features editor; Betty Kalusha, Jim Warren, Beverly Hauk, Ruth Kendrick, Ann Stahl, Roseann Evans, and Don Funk, staff writers.

Normal Celebrates A Centennial

Because of its occurance in May of last year, the 1949 AURORA was not able to present pictures of the Centennial celebration. We of the staff have decided to present them to you now.

The celebration was complete with notable speakers, Governor Williams, Vice-President Barkley, and many prominent persons in the field of education. It lasted for three exciting days, Thursday, Friday, and Saturday. Normalites repeatedly gazed into the sky and prayed for clear weather, for they were often drenched by the rain of spring storms or sudden cloud bursts.

Outstanding among the activities were the pageant which so accurately portrayed the history of the college, the gigantic parade of bands and beautiful floats contribued by the businessmen of Ypsilanti and the surrounding areas, and the revival of May Day on the Green, a program of dances given by students of the physical education department, and the Centennial Ball.

For many months the Normal campus was the scene of constant practicing and general beautification in preparation for the inspiring occasion. The enthusiasm reached its peak in the campaigning for a queen and the selection of a king. Nora Amerman of Gregory was finally chosen and reigned as a very beautiful and gracious queen. Jim Thomson was selected as King Beaver after many months of beard growing and grooming among the men on campus.

Several hundred alumnae returned to the Normal Campus to help the college celebrate its one-hundredth birthday. In spite of the rain, it was a birthday not soon to be forgotten.

Also missing from the 1949 AURORA were pictures of the June graduates. The first one appearing on the opposite page was taken before Pierce Hall during the Ivy Day Speech. The second is of the graduation procession entering Pease Auditorium.

The Student Social Committee

Normal's students owe their thanks to the All-College Student Social Committee for the many social events held on the campus. This group composed of representatives from the Student Council, Women's League, and Men's Union works with the Social Director, Miss Adelyn Hollis, in preparing the activities calendar and sponsoring All-College programs.

This year the group has sponsored the Wednesday night Kresge dances, cabarets, the Homecoming Dance, record dances, and a girl-bid dance. The Monday night dancing lessons are also provided for by this group.

In addition, the class parties the first week of school, a skating party, and the ever popular Christmas Party were presented for the students.

Commencement

Ever present also were the Monday night fraternity and sorority meetings and the dance classes. On Wednesday evenings throughout the year were the ten cent Kresge Dances, and on Tuesday nights, the Student Council meetings. The Choral Union practiced on Tuesdays and Thursdays and the orchestra on Mondays. College Forums were also held on several Monday afternoons. All in all, the students of Michigan Normal had a pretty busy year.

"Jahn & Ollier Again"

A familiar and reassuring slogan

FAMILIAR...*because it has appeared in thousands of the country's finest yearbooks for the past half century.*

REASSURING...*because those years of specialized experience bring complete service, outstanding quality and dependable delivery to the yearbook staffs, with whom we work.*
